As required by 49 C.F.R. § 1111.10 and the Board's decision herein served March 11, 2011, the parties have discussed, by telephone, discovery and other procedural matters and hereby submit their joint report resulting from those discussions.

At this time, both parties believe it would be productive for them to engage in further discussions regarding the issues in the case and to exchange certain information on a voluntary basis. Such discussions will assist the parties in determining whether the issues in the case can be narrowed or perhaps resolved amicably, and will at minimum inform the scope of any further proceedings and thus facilitate development of a proposed procedural schedule.

Accordingly, the parties request that these proceedings, including the filing of a proposed procedural schedule, be held in abeyance for a period of 60 days, until June 3, 2011, by which date the parties will report to the Board regarding further procedural matters.

Respectfully submitted,

David L. Meyer
